

50 Mile Ride

50 mile (approx) route:

From Kentucky Transportation Cabinet Building (Downtown Frankfort):

Straight on Ann Street

Left on Main Street

Right on Capital Avenue

Left on 420

Left on 676- WATCH TRAFFIC

Right on Coffeetree Lane

Right on 1659 (follow all the way to Versailles unless you want to create a shorter option)

In Versailles, McCracken (1659) Turns into Elm Street

(Gas station- turn right on Main street, about 2 blocks)

At stoplight, go straight across Street (turns into Broadway)

Left at stop sign (Douglas Avenue) (STORE-unsure of hours)

Go across US 60- WATCH TRAFFIC- Big Sink Road

Right on 1681

Left on Payne's Depot

Left on Craigs Mill

In Midway, Craig's Mill turns in to Stevens Street

(Gas Station- in Midway turn right on Church Street, **30.5 miles so far**
left on Main Street, Left on Turner Street- 1/2 block on right)

Stevens Street becomes Spring Station Road

curve- Left on 1685 (Steele Branch Road)

Right on 1681- Frankfort Pike- WATCH TRAFFIC

Left on 1685 (Steele Branch Road)

Cross US 60

Stay to right (looks like you are going straight) on 2331

Right on 1659- (follow same outgoing route back to St. Clair St.)

Left on Coffeetree Lane

Left on 676

Right on 420

After you cross the Capital Avenue Bridge, at light, go left on Main Street
St. Clair Street will be 2 blocks on the right

One shorter option: (32 miles approx.)

Follow 1659 (McCracken Pike) to Versailles

Before you reach the downtown area, turn Right on Kentucky Ave

Right on Clifton Road (1964)

Right on Steele Branch

Left on 1659 back to Frankfort- St. Clair Street

See above directions for return
